Care, connected

Search our global medical network and connect to the care you need, when you need it

Our network of medical providers is at your fingertips. Every facility you'll find is in the AXA Select medical network – that means we can sort out the bill with them, so you don't to worry about the cost of eligible treatment. Simply decide where you want to have treatment, give us a call and we'll help put everything in place.

The screenshot shows the AXA Colpatria search interface. At the top, there is a navigation bar with the AXA Colpatria logo and a 'HOME' link. Below the navigation bar, the page title is 'Search your way' and the subtitle is 'Use the map or add filters to find the right medical provider for you. You can choose any provider listed below and we can arrange to pay them directly for your eligible treatment.' The interface is divided into three main sections: 1. Filters: A blue sidebar on the left contains filter options. The 'Provider Type' dropdown is set to 'Select'. The 'Specialities' dropdown is set to 'Select an Option'. There is a 'Reset' button and a 'Search' button. 2. Medical Providers: A list of three providers is shown, each with a hospital icon, name, phone number, and a 'Get Directions' link. 3. Map: A map of Madrid, Spain, showing the locations of the three providers marked with red pins. The map is titled 'Medical Provider Locations' and includes a 'Map' and 'Satellite' toggle.
